As one of the UK's largest Immigration Law Firms with over 10 years experience you can be sure that your immigration needs are in the right hands...

Halliday Reeves Law Firm is a leading UK Immigration law firm with a dedicated team of Law Society accredited advisors ready to help you with your immigration matters.

With Immigration law constantly evolving and with new immigration caps being introduced it's sometimes overwhelming and confusing but with us you can relax...

You will meet with a specialist advisor who knows their way round the Immigration Rules, case law and discretionary policies. We will then tailor the advice to your individual needs and circumstances and present you with the options available.

We will help you at any stage of your application process whether it's:

- Entry Clearance (making your first application to come into the UK from overseas)
- Switching from one category into another category
- Appealing a refusal from the UKBA or from the Immigration & Asylum Chamber (First Tier or Upper Tier Tribunal)
- Settling in the UK
- And much more...

We offer a one off **FREE** initial assessment and will assess you for legal help (free legal advice) or offer you competitive private rates.
